Dear Mr. Powell:

Congratulations on the forming of your new corporation.

The enclosed flier is being sent to you in conjunction with our national advertising campaign to help you protect your corporations's tax shelter status.

Hot off the press, this new book is in great demand and has already sold through two printings in just a few months. However, we have reserved a copy for THE COMMITTEE TO RESTORE CARBONDALE CITY HALL, INC at a special client discount.

You've already read "How To Form Your Own Corporation Without A Lawyer For Under $50." But more help was needed by those who formed corporations and who didn't want to pay lawyers a fortune to keep the corporation intact.

"The Complete Book of Corporate Forms" fills that need. This book follows the same "how to" style and simplifies the entire corporate record keeping process. It is being published by our sister company, Enterprise Publishing, Inc.

I invite you to examine this new book for 30 days in your own office. If you don't agree it's all that is described, just return it for a prompt and courteous refund.

Please read the enclosed flier and fill out the special money saving order form. Your order must be postmarked by 4/10/82 to receive the special client discount of $10.00. Shipment will be made within 48 hours of receipt.

Sincerely,

Ted Nicholas
